Thursday, October 21 - No school - fall break

Friday, October 22 - No school - fall break

Monday, October 25 - Teacher work day

Tuesday, October 26 – BEGINNING of 2nd QUARTER

### **Covid-19 News**

School Covid-19 cases in Utah are rising and AMES is not immune to potential transmission of the Covid-19 virus. Stay home if you are sick. Wear a mask if possible. Use the sanitizers in the classrooms and wash your hands when possible.

### **Clubs**

AMES clubs are in full swing on Friday mornings with a wide variety of clubs to participate in. Students can attend a club or go to a study hall to do homework during club time. Students are expected to be in school at 9:00 a.m. Permission slips will be given to the students at their next club meeting. We will be filling a great need at AMES/CHS with a new joint AMES/CHS recycling club. See Mr. Wilson if you are interested.

## **Credit Recovery**

We made great progress this summer in the number of outstanding credits with the summer credit recovery program. However, some students are still missing credits. If your child is missing credits you will be getting a letter and a call from the school. All credit recovery will be provided free of charge. Our school goal is to reduce outstanding credits to zero.

## **After-School Tutoring/Mid-term Report**

We will be at the halfway point of the first quarter next week. If your child is failing a class, you will be contacted by the school. We strongly encourage your child attend one of the Tuesday or Thursday tutoring sessions held right after school till 5:00 p.m. If your child is failing a Cottonwood class they are enrolled in, they may lose the opportunity to be enrolled in the class.
