## **Parent/Guardian Permission for a Student to Operate a Private Vehicle for School Activities**

### REQUIREMENTS:

It is occasionally necessary for a student to drive a private vehicle to school activities. The following requirements apply for authorized use of private vehicles:

1. The principal approves the activity that students need to leave the high school campus to attend.
2. The student driver must have a valid Utah driver's license in order to qualify for transporting other students.
3. Students may not drive if they have had a conviction, an alcohol/drug related driving violation, or more than two moving violations in the last 12 months.
4. Each driver must ensure that the vehicle has passed state-required safety inspections (if required).
5. Each driver must have liability insurance coverage. This responsibility is not assumed by AMES. Each driver must carry in the vehicle at all times the required insurance company and policy number identification card provided by the insurance company.
6. While transporting district students to school activities, the driver must obey all traffic laws.
7. The driver and all passengers must wear seat belts.
